### **FULLY WIFI ENABLED CAMPUS**

Considering the increasing requirement and importance of the Internet in the field of education and research, the Institute provides a fully Wi-Fi enabled campus. This provides students and faculty with an access to high-speed Internet connectivity within the campus, thus making classes, events, and webinars more effective and advanced. The faculty, students, and staff can access the IT resources and content from anywhere and at any time in the campus.

### **EXPERIENCED & QUALIFIED FACULTIES**

We have a team of well experienced and highly qualified faculty members who encourages and inspires the students to put in their best and excel in their fields. The faculty strives hard to provide them all round knowledge in theory, practical work and guides them in all other academic activities like seminars, projects, training, etc. Our success can be directly attributed to the dedication and high caliber of our faculty.

### **MINI THEATRE/AUDITORIUM**

Our theatre is a hub for all the academic events & activities organised by the University. The auditorium caters to multiple uses such as meetings of students & faculty members, presentations, short-term training programmes, workshops, conference, expert/guest lectures, celebrations, functions, gatherings etc. It is well-equipped with lighting, acoustic systems, and audio-visual aids making it a big hit among our students.

### **LIBRARY**

Apart from the libraries in the individual institutions, a central library is maintained in the campus which is gradually developed into a multi-disciplinary resource center. Books, periodicals and a wide range of national and international journals are made available here for all the students and staff in the campus.

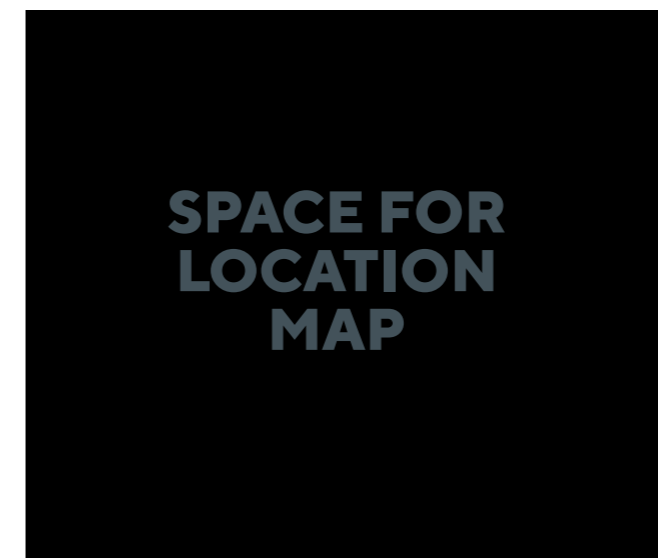

### **SMART CLASS ROOMS**

The smart class room is equipped with the basic technology that will enable to connect laptop to the projector. Features a smart podium with a touch panel control system, PC and laptop connection, document camera, DVD/VCR Player, projector, and screen and also have an overhead transparency projector.

### **WELL EQUIPPED LABS**

Adequate laboratory facilities are provided to all science departments. The laboratories are spacious, well planned and equipped with sophisticated instruments to meet the requirements of students and teachers. Laboratories of Botany, Physics and Chemistry are equipped with modern instruments.

## Aims of the College

- To promote alliance with academic institutions
- To aid students through mentoring
- To champion the cause of women
- To strengthen stake holder relationship

## FACULTY

Experienced and well qualified faculty members are very much dedicated to help and guide the students to achieve their academic goals.

## PLACEMENT CELL

College has a very active placement cell. As most of the courses are career- related, students are placed in good jobs during final year itself.

## TRANSPORTATION

Students can avail of the superb transport facility offered by the campus. College vehicles ply at proper timings in all important routes.

## HOSTELS

The concept of keeping the hostel as a 'home away from home' is our goal and for this all efforts are being made. Food service in the hostel is homely and the inmates will have their say in deciding the menu. With a parental attitude, hostel warden and the resident tutors are always ready to hear and solve the problems faced by the inmates.

## CANTEEN

A modern and well-maintained canteen, satisfying most of the food habits, is an attraction of the campus. Conceived with an idea of minimizing food wastage, the canteen provides a peaceful and happy dining experience at minimum possible expenses.

## HUMAN RESOURCES DEVELOPMENT PROGRAMME

The programme involves training in essential soft skills for students, members of the staff and public. Communication skills, training in gaining International Certification in English language like IELTS, Group discussion and Interview skills, essential Computer skills, training in Basic Accountancy etc, form this essential survival kit of soft skills. Yoga and meditation sessions are integral features of the programme.

## LIBRARY

Apart from the libraries in the individual institutions, a central library is maintained in the campus which is gradually developed into a multi-disciplinary resource center. Books, periodicals and a wide range of national and international journals are made available here for all the students and staff in the campus.
